Pieta House Misneach Candlelight Service - is a time to remember our loved ones not only those who have died by suicide. We want to create a space for people to reflect and celebrate the lives of people they have lost. The service is non-religious with lots of meaningful music, readings and poetry. The service is also for people who can celebrate that they have worked through the issues that had brought them to a point of suicide but who can now move forward in a more hope-filled future and they know that Pieta House is here for them
